THE NAVAL AND MILITARY RECORD

AND

ROYAL DOCKYARDS GAZETTE.

WEEKLY, THREEPENCE

The only weekly Service Newspaper (as distinct from a Review) with Correspondents in all the Royal Dockyards, Naval and Military Centres, and on all the Foreign Stations.

It is the Largest and Cheapest Service Paper in the English-speaking World.

Read by Officers, Non-Commissioned Officers and Men of all His Majesty's Services all the World over.

Its Circulation has been trebled during the past five years.

IT HAS MANY ATTRACTIVE FEATURES.

THE NAVAL AND MILITARY RECORD

Publishes well-written Leaders and Notes on all Topics of Service Interest.

A VICE-ADMIRAL writes: "Your *Naval and Military Record* is getting a firm hold on the Service, and is the BEST PAPER FOR NAVAL NEWS I know of."

"*The Naval and Military Record* is, we hear, forging ahead. Its speciality is the collection of news from various stations, and in this branch of Service journalism it excels. In fact, on the whole, it will compare favourably in many respects with some of our higher-priced Service contemporaries, though perhaps this is not saying so much as we intended in the way of eulogy."—*Admiralty and Horse Guards Gazette.*
